# Day 1 | Wednesday

## Iquitos > Nauta > Pahuashiro

Pick up at the airport and transfer by private vehicle to Nauta port, for boarding. On the road you will enjoy a box lunch.

Our staff will show you to your suite, which will be equipped with comfortable beds, 100% Peruvian Pima cotton sheets, cotton bathrobes, air conditioning and a private bathroom with a shower and amenities.

Before setting sail, our bartender will serve you a cocktail prepared with local fruit and pisco, the most popular liquor in Peru. You can sip it while enjoying 360° views from the observation deck or a panoramic view from the indoor or outdoor lounge.

Once we start sailing, our naturalist guides will offer an overview of the travel itinerary, including activities, routes, information about

wildlife and vegetation, geographical and historical context, as well as other useful info. If you have any doubts or concerns, our guides are always available to answer your questions.

After the welcome briefing we will enjoy a delicious appetizers and have time to rest before the next outing on skiffs to Yacapana, where you will enjoy a night excursion in search of alligators, tarantulas, frogs and other species that appear when the sun goes down.

We'll then head back to the boat for some free time until dinner on board. Begin your trip with a special Peruvian dinner with an Amazonian influence. It is a varied menu that includes a vegetarian option. Please let us know of any special dietary requirements in advance.

## Day 2 | Thursday

Ucayali River > Yanallpa of Ucayali > Tapiche River > Dorado River

Before breakfast, we'll head out on a skiff to the Yanallpa area of the Ucayali River in the Pacaya Samiria National Reserve, where we'll see many native animal species.

After breakfast, we'll head out on a skiff to the Tapiche River in search of wildlife.

Before midday, we'll head back to the boat for a cooking demonstration by the executive chef.

After lunch, whoever is interested may attend a talk about the Pacaya Samiria National Reserve, and in the afternoon we'll take a skiff to the Dorado river, where we'll fish using local techniques. Before heading back on board, we'll enjoy a nighttime outing in search of caimans, tarantulas and other species that make an appearance after the sun goes down.

Dinner will then be served aboard the Zafiro.

4 days / 3 nights Itinerary

## Day 3 | Friday

Ucayali River > Yarapa de Ucayali (Black Waters) > Amazon River > Tahuayo River

After breakfast, we'll set out to explore the Yarapa River, where the famous pink and gray river dolphins swim in its black waters.

Back on the Zafiro, we'll see the confluence of the Ucayali and Marañón rivers, which give birth to the Amazon River.

After enjoying lunch and resting, we will set out on skiffs on a nice sail on the Amazon river. We will explore and observe the daily

activities that local communities do on the river banks. Before heading back to the boat, enjoy a colorful Amazon sunset.

Back on board Zafiro, you'll have some time to relax and enjoy live music before the presentation by the crew and farewell dinner.

# Day 4 | Saturday

## Disembark in Iquitos

After breakfast we will proceed to disembark. On the way to the airport, we will visit the Manatee Rescue Center (Amazon Forever Organization) where biologists and volunteers care for manatees, an endangered species that authorities have rescued. We will learn how manatees are treated and prepared for their return to their

natural habitat. Likewise, we will be able to see other animals that have also been rescued. We will invite you to make a donation to this dedicated organization and study center.

Afterwards, you'll be transferred to the airport.

### Activities on board

Once on board, your naturalist guide will inform you of all the additional activities you will have during your trip, such as: bird watching at sunrise, preparing a local meal or learning how to prepare Pisco Sour, an emblematic drink of Peru, and much more. Our crew will always encourage you to participate in these activities on board, so that you can learn as much as possible about the amazon jungle.

## Notes

- The proposed itineraries and programs may vary depending on the weather, the river's water level, the migratory cycles of the animals and time changes in recommended flights.
- **Local communities' visits:** the visits will depend on the availability of its inhabitants. We try to avoid the negative effects of the activity on the identity of cultures and protect the environment.
- **Excursions:** before each outing, we offer waterproof rubber boots for your comfort and convenience; and after each departure, they will be returned to the staff for cleaning. We also offer waterproof rain ponchos.
- **Kayaks:** ask your naturalist guide about kayak rides, which will depend on the weather conditions on the days of your trip. You are welcome to sign up for kayak tours at your own risk. These rides take place in calm waters where you can paddle in a relaxed way. Our kayaks are ideal for two passengers.
- **Fishing:** Our fishing policy is based on catch and release.
